

School 学校

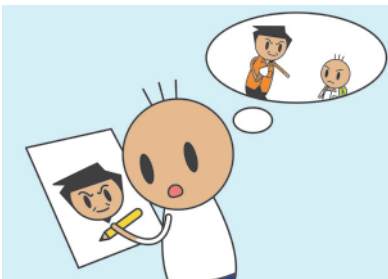

Stay inside the school waiting area while waiting for your parents after school hours. Do not leave the school compound!

Never trust what a stranger tells you or talk to them. Always report to your teachers and parents if anyone talks to you or did something to you.

If a stranger gets close to you, quickly look for the teachers and report to them.

Try to remember what the stranger looks like and tell your teachers and parents as soon as possible.

Shopping Mall / Playground

购物场所 / 游乐场

Always follow your parents in public places. Inform your parents before you go anywhere and never leave without your parents.

Do not simply follow anyone. If a stranger tries to take you away, you should scream loudly and make noises to attract other people, such as "WHO ARE YOU??? HELP ME!!!"

Never accept and take anything from someone you do not know without your parent's permission.

Never ever take and eat any food and drinks from someone you do not know.

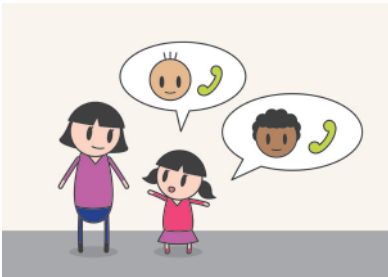

Other Places 其他场所

Never be alone, always walk with your friends in a group. It's always best to have adults to walk with you.

If you are alone at home, make sure you lock the doors. Never leave the doors opened or let strangers into your home!

When you are going out with friends, be sure to inform your parents the names of your friends you are going out with, and their parents phone numbers if possible.

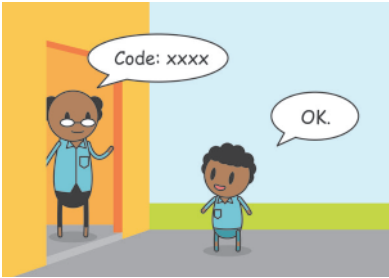

If you get lost or feel unsafe and scared in public places, you may look for a police in uniform or adults with children to ask for help to call your parents.

Safety Tips 注意事项

Always remember to inform your parents and get permission first before going anywhere.

Create a code words with your parents, which other people would not know. Do not follow the person who do not know the code words.

Do not get into a stranger's car or go anywhere with him or her, without your parent's permission and knowledge.

Memorize parent's phone numbers.
